

Finance for businesses to access global opportunities

We are Australia's export credit agency. We support Australian businesses with finance to take on global opportunities.

We support a range of Australian businesses

- › Exporters of goods and/or services.
- › Businesses that provide goods/services to Australian exporters.
- › Businesses expanding overseas.
- › Businesses operating internationally.

How could we help your business?

Inventory costs
for international customers.

Purchase orders
from export-related contracts.

Setting up international operations
for global growth.

Meeting bonding requirements
to secure a contract.

Providing security
required by your bank to
execute bonds or guarantees.

Supplying goods/services
in an export-related supply chain.
